Membership Secretary's Report

There are 8 new members, 127 renewed members, giving a total of 135 paid up members. 21 members have not responded to renewal reminders and 5 have confirmed they will not renew. Mark will be sending out a final reminder to the 21 who have not paid within the next two weeks.

Runs Secretary's Report

Since the end of February our Sunday and Thursday club rides have taken us in every direction and are mostly too numerous to mention. To keep things brief the highlights were:
Cheddar backwards, where the run came down the gorge rather than the usual up
A trip to the Canal Centre which didn't happen and a return trip that did in drier conditions.
A ride to Burnham-on-Sea, again in damp conditions, that was only enjoyed by 7 bedraggled members.
Two other outings to the coast at West Bay and Charmouth, plus visits to the Ferne Animal Sanctuary and Hardy's Cottage.
The Thursday rides have attracted at least a dozen riders most weeks and there have been a couple of “away days”, one to the Cotswold Water Park and a very popular ride from Ottery St Mary, dropping into Topsham for lunch and Exmouth for dessert.
Numbers for the Sunday rides have been around 25 to 30 in dry conditions and the

Thursday rides have attracted from 8 to 16 riders, again depending on the weather. There have been no major incidents.

11 **Newsletter Editor's Report**

The April edition has been published and distributed either by post or email, approximately 50/50 split.
Mark Edwards is working on getting the website back up to date. He has a priority list that he is working through. If anyone has spotted any errors or omissions please let him know.
