They say that time goes faster the older you get, sadly it seems to be true, (or at least that may explain why it takes me longer to get round the course these days) but here we are at the end of another season. Thanks to all of you that turned up and road the events – we have had 108 different riders participate in the evening events – and to the team of helpers especially Derek and Garry for time keeping, Mike for Marshalling and traffic counts and all the YCC members, and others, that helped with the

pushing off. A final reminder that the Yeovil Open is on Saturday 23 September and entries need to be in by Tuesday, provided there is not a full field already I will try and take them up to Friday 15 September.

Traffic: Low. Thanks to marshals & timekeepers, Derek Todd, Mike Northcott, Garry Mitchener and Phil Clements.
